- No waxed paper or waxed cardboard
- No Styrofoam™ or paper to-go containers
- No plastic caps
- No hard cover books

**PLEASE NOTE:**

Village residents are asked not to flush certain items down their drains (sinks, toilets, tubs etc.); paper towels, napkins, diapers, baby wipes, other wipes such as Clorox, Windex, etc., ladies' products, cloth or any similar-type materials.

These items are commonly found in the Village sewer system and can wreak havoc.

Many residents don't realize this, but such materials can cause blockages in the system, which can result in sewer backups in homes, businesses and other facilities.

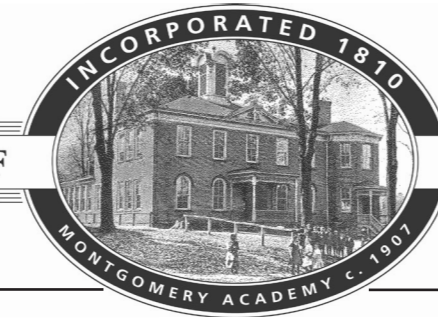

Please try to be considerate and dispose of such materials properly. It will save money and problems in the long run.

For more information visit [www.villageofmontgomery.org/recycle](http://www.villageofmontgomery.org/recycle)

Bulk Pickup, Brush & Garden Waste, as well as Hazardous Waste disposal information can be found there.

**Village Compost Site**

The Village Compost Site is located at the D.P.W. Garage on Bachelor Street. The hours of operation are 7:00 a.m. until 3:00 p.m. Monday through Friday and Saturdays 9:00 a.m. until 2:00 p.m. This is for Village residents only and no commercial dumping is allowed. The Village provides bulk pick up curbside for a nominal fee. Please make arrangement with the D.P.W. at 457-5321.

Mayor's Message.....

The new pavilion at Veterans Memorial Park was substantially completed in June. It was used extensively by the Summer Recreation Program. The workmanship on this project is unparalleled. Dennis Matthews oversaw construction, and the finished product is beautiful. The entire DPW contributed, and all deserve a huge debt of gratitude. Frank Polera Jr. did an exceptional job on building the picnic tables that are being used at the pavilion. This new building can also be used by Montgomery Little League, families, other groups or anyone visiting the park. The ceiling will be finished in the near future, and the lighting will be installed by Bob Brown.

Senator William Larkin has procured a grant of \$100,000 for Village of Montgomery. This money will be used for replacing the roof on the Village Hall with rubberized slate, which will match that on the Village Bandstand. In addition, the yankee gutters will be refurbished, flashing installed, old plywood replaced, chimneys repointed, etc. The new roof will last a lifetime, and it will only enhance the aesthetic beauty of the historic Academy.

Work on the 8" water line on Clinton Street, by Walden Savings Bank, will commence tentatively the week after General Montgomery

Day. Construction will take approximately one month, so please plan accordingly. Unfortunately there will be some disruption of business in the downtown area. This new line will substantially improve water pressure in the business district as well as enhance overall fire protection in that area.

It is with deep regret that I report the passing of Melba Baty, a lifelong resident of the Village of Montgomery, on June 21st, 2016. She was a wonderful lady who loved her family and our community to the Nth degree. A mom who enjoyed all the trappings of motherhood, that was Melba. Whether it was baking, gardening with flowers, cooking, decorating for Christmas, or just spending quality time with her many children and grandchildren, she enjoyed life to the fullest.

Anyone who knows the Batys, knows that they are all very hard

workers. This ethic was, in no small part, instilled by Melba. She drove tractors, milked cows, worked in a hat factory, was a telephone operator, sold fruit and vegetables and did whatever it took to support a large family along with her husband, Allen Lee Baty Sr. (Abe). Her caring nature and sense of community also trickled down to all the children. An avid reader, Melba taught all of them proper lessons on a multitude of subjects. She also liked to read horoscopes and elaborate on the pending days' events. She could certainly bring forth laughter and amusement from family and friends. It was a common site to drive by the Baty Homestead and see yard sales, long before yard sale days became twice a year events. Many a family member would be on the front lawn, chatting, waving, and, of course, selling. Melba was certainly an original, old school lady who will be dearly missed by many in the Montgomery Community.

**Montgomery's Annual Village-Wide YARD SALE DAY!**  
**October 8, 2016**

**Come and see what treasures we have for you this year!**

## Water Restrictions

Due to the lack of precipitation for the last 10 months, the New York State Department of Conservation issued a drought watch for all of New York as of July 15th.

Currently, the Village of Montgomery is at a Level 1 Drought watch, which means we are asking all residents to limit outside water usage, for example watering of lawns should only be done in early morning hours, limit washing of vehicles and driveways, and filling up pools.

Please conserve water whenever possible in order to avoid mandatory water restrictions and the possibility of fines.

## Richie Reynolds Memorial

The Richie Reynolds Memorial Committee cordially invites the community to the unveiling of the Richie Reynolds statue.

The dedication service will be held on Wednesday, September 7th at 6:00 p.m., (Rain or Shine), at the corner of Union and Clinton Streets in front of Walden Savings Bank. Refreshments will follow.

The Memorial Committee would like to take this opportunity to thank all businesses and community members who have donated and supported the Richie Reynolds Memorial Fund over the last several years to honor the life of Richie Reynolds.

## GRAND MONTGOMERY CHAMBER MUSIC SERIES - 30TH YEAR!

*WE AREN'T MAILING OUR PROGRAM. PLEASE KEEP THIS AD.*
